### Benefice

SEVEN

CHURCHES

#### **Ramblings from the Rectory**

September for me is a time when I think of new beginnings. Schools go back. This year Harleston will be starting the new school term with a new all through school from reception through to GCSEs. This will be the result of many years of hard work and should enable a more seamless and fulfilling education for the children of Harleston and the surrounding area.

Thinking of new beginnings made me think of James Shelton the curate that we share with Earsham benefice. As I get to know James, I am learning more and more about the gifts he has been given and about what God is doing in and through him. I think of Josh Whitnall our ordinand (minister in training) and give thanks for his gifts too. I think of all of the ministry team. We are blessed with such amazing Spirit filled ministers in the benefice. I think too of all of you, because the Holy Spirit calls all of us to ministry. The Spirit equips every Christian with gifts for building up their faith but also for sharing with the world. Indeed, if you are reading this, then this truth applies to you!

Ask God to reveal to you what gifts he has given you and for guidance on how you should use these gifts for the good of all. You could have a gift of hospitality, or of generosity, or of praying for others, or ...well the list of things that the Spirit can give is virtually endless, but you could do worse than have a quick look at Paul's list in 1 Corinthians 12. Please look at this passage and pray about what God wants to give you; talk to a friend or minister if you want, but do take this seriously. St. Paul makes it clear that these gifts aren't extras, these are the very things that build us up together as one body, the body of Christ in this place. It is important that we all use our gifts otherwise we will be crippled as we seek to show the love of Christ to the people in this area. Without your gifts it will be as though we were missing an arm or an eye.

If you feel that all this is beyond you, then don't worry, faith is a gift, not something earned. Don't worry but please pray for an extra slice of the gift of faith!

Have a great September.

God bless,

#### Safeguarding Training.

I know that many of our PCC members are finding it hard to access the mandatory Safeguarding training online. I have therefore arranged for two sessions at Archbishop Sancroft School in September. These will be in the computer suite and I will be on hand to help with any technical difficulties. People will need an email address but if they don't have one, I can create one for them, as long as they let me know before they arrive. There are two sessions to allow people to complete both mandatory Safeguarding training modules (basic awareness and foundations), if necessary.

The two sessions are:

7.30pm on Monday 19th September 2022

7.30pm on Monday 26th September 2022

People will need to book with Nigel beforehand.

God bless,

Nigel.

#### **Harvest collection for Emmaus**

"It's been a busy year for Emmaus Norfolk & Waveney, in October 2021 we celebrated a whole decade of transforming lives. This year all our accommodation has been filled and we are supporting 32 formerly homeless people and we're proud to continue to be a safe space for women and people from the LGBTQ+ community. We were delighted to offer our companions barista training in our Old Orchard Café, helping them to gain new skills and increase their confidence after homelessness. We have further developed our support for people moving on from Emmaus to allow them a smooth transition into independent living. Looking ahead into next year we have big plans to develop our site to expand our social enterprises and companion accommodation. Thank you to everyone for your generous support

over the past year."
